PERPETUAL MEMBERSHIP

- a) Any member in good standing and possessing a current Dues Card in a Constituent Commandery may become a Perpetual Member in that Commandery pursuant to the provisions of this section.
- b) The member desiring a Perpetual Membership shall apply to the Recorder of his Commandery for such membership on forms prescribed by the Grand Commandery and shall tender therewith a minimum sum of fifteen (15) times the annual dues of his Commandery as prescribed in Section 19 of Article XIX of the Constitution. The Commandery Recorder shall complete his part of the application and shall forward the same together with the full fee due, to the Grand Recorder. The date of the application shall be the date the Grand Recorder certifies he received the application.
- c) The application shall be signed by the applicant and have the Certification of the Commandery Recorder. The application shall not become effective until the applicant's record has been certified by the Grand Recorder. The application shall contain thereon the computations upon which the Perpetual Membership Fee is predicated. If the Grand Recorder determines that the minimum fee tendered by the applicant is in excess of that required, the Grand Recorder shall have the power to correct the application and the Commandery Recorder computations of the fee, accept the application as corrected and refund any excess fee to the applicant through the Constituent Commandery Recorder.
If the fee tendered is insufficient, the Grand Recorder shall return the application and fee to the Constituent Commandery Recorder for correction and resubmittal. A copy of the completed and accepted Perpetual Membership application and a certificate of Perpetual Membership shall be furnished to the applicant and his Commandery by the Grand Recorder. These provisions shall be construed so as to permit the Grand Recorder to use computerized records.

- d) After the Perpetual Membership application and fee have been received and accepted by the Grand Recorder, the perpetual membership fee shall not be refundable except under circumstances determined by the Grand Recorder to be mistakes of fact rendering the applicant ineligible for perpetual membership as of the date of the application.
- e) After the applicant's Perpetual Membership has been accepted by the Grand Recorder, the perpetual membership fee shall be paid over to the Grand Treasurer as required in the Constitution and Laws. The funds shall be placed collectively in restricted Perpetual Membership accounts. These funds shall be accounted for on an individual Commandery basis listing the amount a person paid into the fund for both Commandery dues and Grand Commandery per capita and any assessments in effect at that time. These amounts shall establish the ratio for all future distribution of the interest earned annually on a person's investment. The funds shall be accounted for separately by the Grand Treasurer from all other Grand Commandery funds. The funds shall be audited annually as required in the Constitution and Law.
- f) A Perpetual Member shall owe no further dues to the Commandery of which he is a perpetual member. An annual dues card shall be issued by the Commandery Recorder who shall denote Perpetual Membership thereon.
- g) The Grand Recorder shall at the time of the annual interest distribution submit a statement to the Commandery for an amount covering the proportionate per capita and assessments in effect at the time the Sir Knight joined the plan. The per capita billing statement shall list each member showing the principal balance, the per capita and assessments in effect at the time the Perpetual Member was certified, the amount of interest earned and the division being paid to the Commandery and Grand Commandery. The Commandery shall, during his lifetime and thereafter, pay the Grand Commandery the amount designated by the Grand Recorder's per capita statement.
- h) The obtaining of a perpetual membership in one Commandery by a plural member shall have no effect on his membership in the other Commandery to which he belongs; Plural Perpetual Memberships are permitted.
- i) A Perpetual Member may affiliate with a Constituent Commandery. If the affiliation is within this Grand Jurisdiction the entire perpetual membership fee he originally paid shall be transferred to the account of the Commandery to which he affiliates. If the affiliation is outside this Grand Jurisdiction the entire perpetual membership fee shall remain with the Commandery of which he was a perpetual member.
- j) Any certificate of good standing issued under the Constitution and Laws to a perpetual member shall have endorsed thereon the fact that the holder is a perpetual member, and the amount of the perpetual membership fee shall be transferred to the Constituent Commandery in Oklahoma with which he affiliates.
- k) If a perpetual member shall be suspended, expelled, or withdraws and is subsequently restored to good standing, or re-affiliates from out of state, his perpetual membership shall be deemed to be also restored.
- l) If a Commandery consolidates, surrenders its Charter or has its Charter arrested, the funds credited to that Commandery in the perpetual membership fund shall follow the Sir Knight according to the relevant sections of the Constitution and Laws dealing with consolidations, surrendering and arrest of Charters.
 - 1) When a member holds perpetual memberships in two Commanderies, and these Commanderies consolidate, his perpetual memberships will be combined in one perpetual membership in the surviving Commandery. The Grand Treasurer will combine the perpetual membership funds transferred in with the original funds and will treat the account the same as if additional funds had been added. The distribution of the Dividend and Interest earned will be based on the ratio of the surviving Commandery and in accordance with paragraph (e).
- m) A Memorial Perpetual Membership may be purchased by any person for a deceased Sir Knight of an Oklahoma Commandery by following the same procedures as outlined in this section using the dues, per capita and any assessments in effect on the date of the Sir Knight's death. But in the event the dues, per capita and assessments be less than \$10.00, interest derived there from shall be in accordance with sub-section (g).
- n) A Sir Knight at any future time may add any amount to his perpetual membership investment through his Commandery Recorder.
- o) Applications for Perpetual Memberships shall be on forms prescribed by the Grand Commandery, and the Grand Recorder shall provide all forms required for the implementation of this section.
- p) Where a Perpetual Sir Knight has not been heard from for more than seven years, the Commander shall direct the Recorder to report the name of such missing Sir Knight to the Grand Commandery on the monthly report form as being deceased. The name shall then be transferred to the rolls of deceased perpetual membership, but this action shall have no effect on the amount of money paid to the Commandery and Grand Commandery for that perpetual member as set forth in sub-section (g).

- q) When a perpetual member is transferred to the rolls of the deceased, or becomes suspended, expelled, or withdraws, a new ratio will be arrived at by subtracting the Grand Encampment per capita, the contribution made to Knight Templar Eye Foundation Inc., and any other special assessments.

The formulas to be used are: $\frac{B+C}{A}$ and $\frac{B}{A}$

When "A" equals the Total Dues, and "B" equals the total per capita and assessments to the Grand Commandery, and "C" equals total per capita to the Grand Encampment and assessments.

"B" plus "C" over A gives the percentage on a living member paid to the Grand Commandery on the annual report; the balance is paid to the constituent Commanderies.

"B" over "A" gives the percentage on a deceased, suspended, expelled or withdrawn member paid to the Grand Commandery on the annual report; the balance is paid to the constituent Commanderies

- r) There shall be no cost to the Constituent Commandery for administration of this program by the Grand Commandery.

PAST COMMANDERS ASSOCIATION

The Past Commanders Association shall be established as the sponsoring organization for a Display Drill Team to perform in parades, field days, etc., subject to the Laws of the Grand Commandery of Oklahoma, but not in Competitive Drills.

COMMANDERY IDENTIFICATION ON MANTLE

A uniform badge shall be worn on the right front of the mantle as provided in Article XX, Section 4, of the Laws and regulations. The badge shall be a gold satin crown with a red satin cross inserted, laying on a velvet Maltese Cross which is six inches across with the word "Oklahoma", below, all stitched with black thread.

PAST GRAND COMMANDER'S JEWEL

Each Past Grand Commander and his wife (or other representative) shall be asked to sign an agreement that the Past Grand Commander Jewel presented to him is the property of The Grand Commandery of Oklahoma and will be returned to The Grand Commandery of Oklahoma on the demise of the Past Grand Commander, provided that such jewel may be held by the Grand Recorder's office for the possible presentation to a future Past Grand Commander of the family's choice.

AUTHORIZED NAME BADGE

Pursuant to the permissive legislation adopted by the Grand Encampment at the 59th Triennial Conclave, the Sir Knights of the Grand Commandery of Oklahoma shall be permitted to wear a name badge on the right side of the uniform blouse at the level of the left pocket. This badge shall be black with white lettering and be one inch in height. The Knight's name shall be engraved on the top line and his Commandery on the bottom line. No titles or emblems shall be engraved on this badge.

OKLAHOMA GRAND YORK RITE INVESTMENT POLICY STATEMENT

To vote to approve on April 28, 2023

I PURPOSE AND SCOPE

This Investment Policy Statement (the “Policy”) governs the investment of charitable assets in the Investment Portfolios (the “Portfolios”) held by the Grand York Rite Bodies of Oklahoma. The Policy is set forth by the Grand York Rite of Oklahoma as a working guideline and is designed to:

- Describe the goals and objectives of the Portfolios.
- Describe the roles and responsibilities of parties involved with the Portfolios.
- Describe the investment structure utilized by the Portfolios.
- Provide a framework for selection and ongoing monitoring of investments.

II THE PORTFOLIOS

All the investments held by the Grand Chapter of Royal Arch Masons of Oklahoma, the Grand Council of Cryptic Masons of Oklahoma, and the Grand Commandery of Knight Templar of Oklahoma. A portfolio may have several accounts, i.e. General Fund, Perpetual Membership Fund, Membership Development Fund, etc., within each portfolio.

The asset allocation target of the total portfolio shall be an Exhibit(s) to this Policy.

III INVESTMENT OBJECTIVES

Return Objective: Since the charitable assets will operate in perpetuity performance measurement of the charitable funds will be based on total return. Total return is a measure of the total gain of the Endowment and makes no distinction between capital appreciation (or depreciation), realized gains (or realized losses), and interest/dividends. To avoid loss of purchasing power the Portfolios must grow in real (inflation adjusted) terms in excess of spending.

Risk Tolerance: The Portfolios have the ability to sustain short term market volatility given the perpetual nature of the underlying funds.

Investment Horizon: The Perpetual Accounts are expected to operate in perpetuity and serve as a permanent source of funds for the Grand and Local York Rite Bodies. Recognizing that the needs for payout are long-term and that investment competence must be measured over a meaningful period of time, the Investment Committee does not expect to be reactive to short-term market developments. In making investment strategy decisions for the Endowment, the focus shall be on a long-term investment time horizon that encompasses a complete market cycle (approximately five years).

Liquidity: Near-term liquidity needs are determined by distribution requirements.

Performance of the Portfolios will be evaluated using the following objectives:

Objective	Benchmark	Description
Relative	Blended index	A time-weighted return compared to a blended index, which will be constructed based on the actual allocation of the Portfolios over time. The intent of this objective is to seek competitive investment performance versus relevant capital market measures.
Absolute	Consumer price index spending rate	+ A real return (net of inflation). The intent of this objective is to increase over time the principal value of assets as measured in real, inflation-adjusted terms.
Comparative	Peer universe median	The comparative performance objective is to achieve a total rate of return that exceeds the median return of a peer universe of similar type and size funds.

IV SPENDING POLICY

There shall be an interest bearing account known as the General Fund to invest monies for a short term or until needed by the Grand Secretary or Grand Recorder for the operation of the Grand Chapter, Grand Council, or Grand Commandery. In addition, the Perpetual Accounts are expected to operate in perpetuity and serve as a permanent source of funds for the Grand Chapter, Grand Council, and Grand Commandery of Oklahoma and Local York Rite Bodies. The dividends and interest earned in the preceding year will be paid out in proportion to the Grand Bodies and the local York Rite Bodies based on the Perpetual Members Spreadsheet.

V RESPONSIBILITIES

- Grand Treasurer
 - The Grand Treasurer will review the investment accounts monthly.
 - The Grand Treasurer shall be responsible for the investments of the Grand York Bodies. He shall seek advice from the Investment Advisory Committee as to the placement of the funds. The funds can be mixed to enhance return and a standard fund accounting practice be employed to account for each account's value in the investment mix.
- Investment Advisory Committee
 - The Investment Advisory Committee shall consist of three members. The Grand High Priest, Grand Illustrious Master, and Grand Commander will each appoint one member to the Investment Advisory Committee. At their first meeting, they will select who will serve one, two or three year terms. All following appointments will be for a three year term or to complete a vacated term. Investment Advisory Board members may be reappointed.
- Grand Secretary/Grand Recorder
 - The Secretary/Recorder will transfer all excess funds in the operating account to the Grand Treasurer for deposit in the General Fund Investment Account. All funds received by the Grand Secretary/Recorder which are designated will be transferred to the Grand Treasurer for deposit into the appropriate investment account.

VI INVESTMENT SELECTION AND MONITORING

The Grand Treasurer and the Investment Advisory Committee recognizes that investment results should be evaluated over a complete market cycle (generally five years) for purposes of investment option selection and monitoring. Performance guidelines are described in Exhibit C. While fund performance is an important component of investment option evaluation, the Grand Treasurer and the Investment Advisory Committee may also consider other criteria, including but not limited to investment philosophy, organizational structure, financial condition, assets under management, team experience and capability, volatility appropriate for the investment strategy, fees and any advice provided by an investment advisor.

Each quarter, the Grand Treasurer will review investments utilized by the Portfolios for changes to the non-performance criteria described in this section and against the performance guidelines described in Exhibit B and will discuss with the Investment Advisory Committee. Although the Grand Treasurer does not expect to react to short-term developments in investment markets, the Grand Treasurer may act on interim judgments if there are changes to any of the evaluated criteria that are deemed worthy of action. Notwithstanding the foregoing, the Investment Advisory Committee and Grand Treasurer reserves the right to revise or terminate investments in whole or in part, at any time, for any reason.

Watch List Policy

A number of factors may contribute to a manager's over- or under-performance at any given time such as - market dynamics, investment skill, and/or pure chance. Given this uncertainty, it is unwise to mandate termination purely for lagging performance at any specific point. The following represent quantitative guidelines to be used, in addition to the non-performance criteria described above, in making a recommendation to the Investment Advisory Committee with regards to placing a traditional asset class manager on the Watch List:

Test 1: If the manager's rolling, three-year return (net of fees) falls below the rolling, three-year benchmark return for three (3) consecutive quarters.

Test 2: If the manager's rolling, three-year return (net of fees) for three (3) consecutive quarters ranks in the bottom quartile of the Consultant's peer group universe.
