Section 15. Summons.

The High Priest, or the Chapter, has the right to summon any member of the Chapter for any purpose within the scope of business of Capitular Masonry, and every member is bound to obey such summons, unless unavoidably prevented. While it is left to the wise discretion of the High Priest, or the Chapter, as to when such an emergency exists, the High Priest or Chapter must be held to accountability for an arbitrary exercise of his discretion, as well as for any other willful abuse of authority. Ten days shall be construed to be legal notice whenever the word "notice" is used in this code, and the Secretary shall deposit a copy of said notice in the United States Post Office, sealed and addressed to the member's last known address.

Section 16. Convocations.

The stated Convocations of a Chapter shall be at the time and place specified in its by-laws. The Chapter shall be opened in due form (ritualistic form) for a minimum of four (4) stated Convocations annually, including the one in December for the annual election. This shall be provided for in the by-laws. Special Convocations to confer degrees may be called at the pleasure of the High Priest, but no business shall be transacted except as hereinafter provided. A Chapter may, at a Stated Convocation, consider and transact business jointly with the Council and Commandery domiciled at the same location. When a Council or Commandery is opened in due form, the High Priest may declare the Chapter open for business only following the flag pledge and prayer.

Section 17. By-Laws.

Each constituent Chapter of this Grand Chapter shall adopt by-laws for its government, providing that the same shall conform to the Constitution and General Laws of this Grand Chapter. A Chapter has the right to alter or amend its by-laws; provided that such alteration or amendments do not conflict with the Constitution and General Laws of this Grand Chapter.

Any alteration to Chapter By-Laws must be submitted to the Grand High Priest for approval, either before or after adoption by the Chapter, before such alteration or amendment shall become effective. Constituent Chapters shall furnish copies of their By-Laws to the office of the Grand Secretary.

Each chartered Chapter shall be required to have a seal, an impression of which shall be furnished the Grand Secretary for record. All official documents of the Chapter shall be duly authenticated by its seal.

In case of the loss or destruction of a charter, the Grand High Priest may, upon proper showing, order a duplicate charter to be issued. Every chartered Chapter shall have a seal, which shall be affixed to all official papers issued by the Chapter.

Section 20. Bonds.

A Chapter may require by its by-laws that the Treasurer and the Secretary shall give surety bonds, payable to the Chapter, and in such form as the Chapter may approve and approved by the High Priest.

Section 21. Quorum.

When constituent Chapters, either chartered or under dispensation, are convened in a Stated Convocation they shall be opened and all business transacted in the Royal Arch Degree, for which purpose five (5) Royal Arch Masons, all of whom must be members of said Chapter, shall constitute a quorum. For work in the degrees, any nine regular Royal Arch Masons shall constitute a quorum. In the absence of a quorum, no business can be transacted, but a quorum being present, the vote of a less number shall be valid.

For work in the Mark Master Degree, eight (8) or more shall constitute a quorum, and seven (7) or more shall constitute a quorum for work in the Past Master or Most Excellent Master Degrees.

Section 22. Audit.

At the last Stated Convocation in December of each year the High Priest shall appoint a committee of three for the purpose of auditing or causing to be audited all the books and records of the Treasurer and Secretary and submit a report in writing thereon on or before the first Stated Convocation in January; provided that a professional accountant who is a Royal Arch Mason may be employed to perform such services.

Section 23. Penalties for Failures to Make Report.

Any Chapter which shall neglect to make payment of such fees, dues, or assessments as may be levied against it by resolution of the Grand Chapter or which shall fail, neglect or refuse to send at least one representative to the Stated Convocation of the Grand Chapter, as required under this code shall be deemed to be delinquent and may, by resolution of the Grand Chapter, be held under suspension, during which the Chapter may not function as such except under special dispensation of the Grand High Priest.

Each Chapter in this Grand Jurisdiction shall provide a book in which to record and preserve the "MARK" or facsimile of the "MARK" selected by every Mark Master, and no brother shall be exalted until his mark shall have been recorded, provided that when the recording of a brother's mark is delayed by his having received the degree of Mark Master and Royal Arch on the same day, or by dispensation from the Grand High Priest, then his mark shall be duly recorded within thirty days

ARTICLE 10 CONDITIONS OF MEMBERSHIP

Section 1. Jurisdiction.

- a. The jurisdiction of every constituent Chapter in the State of Oklahoma shall be concurrent.

- b. The Grand High Priest, in his discretion, after investigation of the facts as to accessibility of travel between the points involved and finding no objection from the Chapter nearest the residence of those desiring to petition for the Capitular Degrees, may waive jurisdiction over candidates residing in Oklahoma who can more conveniently receive the degrees in a Chapter out of state. Such waiver, with the facts, must be reported in his annual address.
- c. No constituent Chapter in this jurisdiction shall receive the petition of an applicant for the degrees who resides in another Grand Jurisdiction without the consent of the Grand High Priest of that jurisdiction and the constituent Chapter within whose jurisdiction the petitioner resides.

Section 2. Petition.

Any Master Mason in good standing who shall have resided within the jurisdiction of Oklahoma for a period of six months or more shall be entitled to petition for the degrees of Capitular Masonry and shall state whether or not he has been rejected previously by any Chapter.

The petition shall be in writing upon a form prescribed by the Grand Chapter and shall be signed by the petitioner, with his full name, age, residence, occupation, and recommended by two members of the Chapter receiving the petition.

Section 3. Petition must be referred.

No ballot can be had upon a petition for the degrees or application for affiliation until after it has been referred to a committee of three members of the Chapter and shall be and remain in the hands of such investigating committee at least one lunar month except as hereinafter provided. A petition rejected may be renewed at the expiration of six months after such rejection. (See Exceptions, Sections 6)

Section 4. Balloting.

The ballot on a petition or application for membership must be secret and unanimous, and all members present when the ballot is taken must vote unless excused by the High Priest. A unanimous ballot shall be necessary for acceptance, but if, on the first ballot, one negative ballot appears, the High Priest shall order a second ballot which shall in all cases be final.

Section 5. Objections.

Before the conferral of the degrees, any member of the Chapter or any member of a Chapter of this Grand Chapter may make secret objection to the High Priest to the election of such candidate. On such objection being made, the High Priest shall immediately call in the King and Scribe to consider the reasons therefore. This hearing shall be in secret. The objector shall present to these three the reasons for his objections, stating fully his facts. If the High Priest, King and Scribe consider such reasons sufficient, the petitioner shall be declared rejected. At the next stated meeting the High Priest shall announce that the petitioner has been rejected and instruct the Secretary to duly note the same. The fees shall be returned to the petitioner, and he shall be eligible to repetition after six months. The name of the objector shall not be revealed by either the officers or the objector.

Section 6. Exceptions.

When a petitioner shall have resided at least six months in the state and is a member of a duly recognized Royal Arch Chapter, the Chapter may, if there be no objection, receive and ballot upon such petitioner at any Stated or Special Convocation without regard to time or reference to an investigating committee.

Section 7. Failure to Appear.

A candidate fails to present himself within six months after he shall have been notified of his election shall forfeit his fee; provided, he does not give good reasons for his failure to appear. The sufficiency of the reasons shall be decided by a majority vote of the members present.

Another ballot shall be taken upon his petition. In the event the candidate presents himself and the degrees are not conferred because of no fault of his own, the fee paid shall be returned to the petitioner if he so desires.

Section 8. Records.

All action taken upon petitions and all degrees conferred or refused shall be duly recorded on the minutes of the Chapter.

Section 9. Fees.

No constituent Chapter shall accept a petition for the degrees for a less sum than (\$40.00) forty dollars, which may be paid in installments, (\$20.00) twenty dollars with the petition and (\$20.00) twenty dollars before the Mark Master Degree

is conferred; provided that this shall not be construed to prevent a constituent Chapter from charging a sum greater than (\$40.00) forty dollars for the four degrees.

Section 10. Affiliation.

- a. All applications for membership by affiliation shall be on forms provided by the Grand Chapter, which form shall be signed by the applicant with his full name, together with such information concerning occupation, residence and such other matters as are deemed of importance in judging his qualifications for acceptance, and it shall be accompanied by a duly authenticated Certificate of Good Standing within 120 days of its date.
- b. No fee shall be charged for affiliation from another Chapter whether within or without this Grand Jurisdiction.

Section 11. Rejection.

Whenever the application of a Royal Arch Mason for membership shall be rejected, his right as a Royal Arch Mason shall not be impaired thereby, and he shall have the right to again apply for membership at his pleasure in the same or in another Chapter.

Section 12. Certificates of Good Standing.

- a. The procedure adopted by the Most Worshipful Grand Lodge, A.F. & A.M., of the State of Oklahoma shall be adopted by this Grand Chapter in the issuance of Certificates of Good Standing.
- b. All forms previously approved by this Grand Chapter pertaining to the issuance of a demit shall be amended by substituting the words "Certificate of Good Standing" for the word "Demit", and such forms shall conform as nearly as possible to that adopted by the M.:W.: Grand Lodge of the State Oklahoma. Demits shall not hereafter be issued by a constituent Chapter of this jurisdiction. In order that transfer of a member from one Chapter to another may be accomplished without delay the "Certificate of Good Standing" shall become a transfer of membership upon notice to the Chapter of original membership of the election of the member in another Chapter. Certificates of Good Standing shall expire one hundred twenty (120) days from the day of issuance.

Section 13. Certain Degrees Gratuitous.

Any Royal Arch Mason who has been made such in another Grand jurisdiction in fraternal relationship with the Grand Chapter of Oklahoma which omits conferring the Mark Master or Past Master or Most Excellent Master Degrees may visit an Oklahoma Chapter, provided he is obligated in the degree or degrees omitted or has them conferred upon him without cost. Any Chapter is authorized to confer any or all such degrees on such a Royal Arch Mason as a courtesy and without fee or dues; any such Royal Arch Mason receiving such degrees as a courtesy shall not thereby become a member of such Chapter and shall not be carried on the rolls.

Section 14. Dues.

The minimum dues for each constituent Chapter shall be the per capita tax of the Grand Chapter Royal Arch Masons of Oklahoma and the General Grand Chapter Royal Arch Masons, International plus any and all assessments of the Grand Chapter of Royal Arch Masons of Oklahoma, plus an additional amount to cover the cost of operating the constituent Chapter.

All dues shall be payable in advance on the first day of January each year and the Secretary shall not issue a dues card until the member shall exhibit documentary evidence showing that he is a member in good standing of a Symbolic Lodge.

Chapters may not remit the dues on more than 10% of its total membership.

A Chapter may also confer at any time "Honorary Membership" on deserving Companions who hold membership in other Chapters and whom the Chapter wishes to honor for some particular reason.

Section 15. Assessments.

Chapters may for specific purposes levy special assessments against companions which may be collected as dues, provided that such assessments shall apply to all companions alike, who shall be notified at least thirty days in advance of the time when such payments shall become due and with the approval of the Grand High Priest.

Section 16. Dues Cards.

The dues cards shall be uniform in size and format similar to the dues cards presently issued by the Grand Lodge A.F. & A.M. of the State of Oklahoma. Each card shall bear the printed signature of the Grand Secretary, a facsimile of the Seal of the Grand Chapter, Royal Arch Masons of Oklahoma, and the year of issue. Constituent Chapters may fill in their Chapter name, number and location, or they may have it printed on the card. Dues cards shall be ordered through the Grand Secretary.

Section 17. Remit Dues.

Chapters shall have the right to remit the dues of deserving companions who, because of misfortune, may be unable to meet the financial obligation of paying dues. When a committee of the Chapter shall have made an investigation and reported such inability, the Grand Chapter dues on such companion shall be remitted. A report of members for whom dues are remitted shall be submitted to the Grand Secretary along with the annual report on a form to be provided by his office.

Section 18. Honorary Members.

Chapters shall also have the right to bestow Honorary Membership on deserving companions who, because of advanced age or faithful service, are deemed worthy of such honor after such proposal shall have lain over from one Stated Convocation until the next, but the Chapter shall pay Grand Chapter dues on such member. A Chapter may confer at any time "Honorary Membership" on deserving companions who hold membership in other Chapters and who the Chapter wishes to honor for some particular reason.

Section 19. Suspensions, Restorations and Reinstatements.

- a. No member of a constituent Chapter shall be suspended for non-payment of dues until after due notice has been given to such member of an opportunity to appear at the time it is proposed to act upon the matter and to be heard.
- b. If a member is in arrears in dues for a period of six months, he may be summoned to appear at a Stated Convocation to show cause; at which time, whether he appears or not, the Chapter may act at its discretion without further notice to the member.
- c. Membership in a Symbolic Lodge being a prerequisite to membership in a Chapter, a companion suspended by his Lodge shall, on due notice, be suspended by his Chapter.
- d. When a member has been suspended by his Chapter solely for non-payment of dues, he may be restored to good standing by paying the dues owed at the time of suspension, plus dues for the current year, and without vote of the Chapter, providing such member shall be in good standing in his Lodge, and providing further that such payment is tendered within three (3) years of the date of suspension.

If such payment be tendered at the later date, it shall require a two-thirds (2/3) affirmative vote of the chapter to reinstate.

- e. Any payment tendered for reinstatement shall be refunded if reinstatement is refused.
- f. No dues shall be charged during suspension.
- g. The Chapter may, by majority vote, remit part or all of the dues owed at the time of suspension
- h. In order to maintain his standing, a member must be affiliated with and in good standing in a regular Lodge of Master Masons, and suspension or expulsion therein shall carry the same penalty in his Chapter.

Section 20. Plural Membership.

Plural membership in this Grand Chapter shall be permitted under the procedure as adopted by the Most Worshipful Grand Lodge of Ancient Free and Accepted Masons of the State of Oklahoma; and the form of application and certification of good standing shall be adopted similar in wording to our present form of affiliation and certificate of good standing with the words "Plural Membership" to be added thereto. No companion shall be permitted to hold an elective office in two Chapters within this Grand Chapter at one and the same time. A plural member may withdraw his membership in any Chapter, giving written notice to each Chapter in which he holds plural membership, provided that no charges are pending and that his dues are current in each Chapter. The Secretary shall report all plural members as such, and shall notify the other Chapters and the Grand Secretary of anything affecting the standing of the plural member.

Section 21. Perpetual Membership.

Perpetual memberships are authorized in constituent Chapters subject to the following terms and conditions.

- a. Any member in good standing and possessing a current dues card in a constituent Chapter may become a perpetual member in that Chapter, pursuant to the provisions of this section.
- b. The member desiring a perpetual membership shall apply to the Secretary of his Chapter for such a membership on forms prescribed by the Grand Chapter. The Chapter Secretary shall complete his part of the application and shall forward the same, together with the full fee due, to the Grand Secretary. The date of the application shall be the date the Grand Secretary certifies he received the application. The member shall tender with his application a minimum of fifteen (15) times of the annual dues of his Chapter, excluding that portion of the annual dues which is designated for the per capita tax of the General Grand Chapter of Royal Arch Masons, International, as prescribed in Article 11, Section 14. At the time of his application, the member must also demonstrate that he holds or has applied for a perpetual life membership in the General Grand Chapter of Royal Arch Masons, International. If the General Grand Chapter of Royal Masons, International, shall have discontinued offering perpetual life memberships, then the member shall tender with his application a minimum of fifteen (15) times of the annual dues of his Chapter as prescribed in Article 11, Section 14.
- c. The application shall be signed by the applicant and have the certification of the Chapter Secretary. The application shall not become effective until the applicant's record has been certified by the Grand Secretary. The application shall contain thereon the computations upon which the perpetual membership fee is predicated. If the Grand Secretary determines that the minimum fee tendered by the applicant is in excess of that required, the Grand Secretary shall have the power to correct the application and the Chapter Secretary's computations of the fee, accept the application as corrected and refund any excess fee to the applicant through the constituent Chapter Secretary. If the fee tendered is insufficient, the Grand Secretary shall return the application and fee to the constituent Chapter Secretary for correction and re-submittal. A copy of the completed and accepted perpetual membership application and a certificate of perpetual membership shall be furnished to the applicant and his Chapter by the Grand Secretary. These provisions shall be construed so as to permit the Grand Secretary to use computerized records.
- d. After the perpetual membership application and fee have been received and accepted by the Grand Secretary, the perpetual membership fee shall not be refundable except under circumstances determined by the Grand Secretary to be mistakes of fact rendering the applicant ineligible for perpetual membership as of the date of the application.
- e. After the applicant's perpetual membership has been accepted by the Grand Secretary, the perpetual membership fee shall be paid over to the Grand Treasurer as required by the Constitution and General Laws. The funds shall be placed collectively in restricted perpetual membership accounts. These funds shall be accounted for on an individual chapter basis listing the amount a person paid into the fund for both Chapter dues and Grand Chapter per capita and any assessments in effect. The funds shall be accounted for separately by the Grand Treasurer from all other Grand Chapter funds. The funds shall be audited annually as required in the Constitution and Law.
- f. A perpetual member shall owe no further dues to the Chapter of which he is a perpetual member. An annual dues card shall be issued by the Chapter Secretary who shall denote perpetual member thereon.
- g. The perpetual membership fee shall be considered principal and shall never be spent. The total amount of interest and dividends derived there from shall be paid proportionally, annually to each constituent Chapter for each perpetual member at the time of per capita billing.
 - 1) When a perpetual member dies a new ratio will be arrived at by subtracting the General Grand Chapter per capita tax, the contribution made to Royal Arch Research Assistance, plus any other special assessment.
- h. The Grand Secretary and Grand Treasurer shall, at the time of the annual interest distribution, defined as interest and dividends, submit a statement to the Chapter for any amount covering the proportionate per capita and assessment in effect at the time the Companion joined the plan. The Chapter shall, during his lifetime thereafter, pay to the Grand Chapter the amount designated by the Grand Secretary's per capita statement.
- i. The obtaining of a perpetual membership in one Chapter by a dual member shall have no effect on his membership in the other Chapter to which he belongs. Plural perpetual memberships are permitted.
- j. A perpetual member may affiliate with a constituent Chapter. If the affiliation is within this Grand Jurisdiction the entire perpetual membership fee he originally paid shall be transferred to the account

- of the Chapter to which he affiliates. If the affiliation is outside this Grand Jurisdiction the entire perpetual membership fee shall remain with the Chapter of which he was a perpetual member.
- k. Any certificate of good standing issued under the Constitution and General Laws to a perpetual member shall have endorsed thereon the fact that the holder is a perpetual member, and the amount of the perpetual membership fee shall be transferred to the constituent Chapter in Oklahoma with which he affiliates.
 - l. If a perpetual member shall be suspended, expelled, or withdraws and is subsequently restored to good standing, or re-affiliates from out of state, his perpetual membership shall be deemed to be also restored.
 - m. If a Chapter consolidates, surrenders its charter or has its charter arrested, the funds credited to that Chapter in the perpetual membership fund shall follow the Companion according to the relevant sections of the Constitution and General Laws dealing with consolidations, surrendering and arrests of charters.
 - 1) When a member holds perpetual memberships in two Chapters, and these Chapters consolidate, his perpetual membership will be combined in one perpetual membership in the surviving Chapter. The Grand Treasurer will combine the perpetual membership funds transferred in with the original funds and will treat the account the same as if additional funds had been added. The distribution of the dividend and interest earned will be based on the ratio of the surviving Chapter and in accordance with paragraph (e).
 - n. A memorial perpetual membership may be purchased by any person for a deceased Companion of an Oklahoma Chapter by following the same procedures as outlined in this section, using the dues, per capita and any assessments in effect on the date of the Companion's death. The interest derived there from shall be in accordance with subsections "g" and "h".
 - o. A Companion at any future time may add any amount to his perpetual membership fee through his Chapter Secretary.
 - p. Applications for perpetual membership shall be on forms prescribed by the Grand Chapter, and the Grand Secretary shall provide all forms required for the implementation of this section.
 - q. Where perpetual Companions have not been heard from for more than seven years, the High Priest shall direct the Secretary to report the names of such missing Companions to the Grand Chapter on the monthly report form as being deceased. Their names shall then be transferred to the rolls of deceased perpetual membership, but this action shall have no effect on the amount of money paid to the Chapter and Grand Chapter for that perpetual member as set forth in subsections "g" and "h".
 - r. There shall be no cost to the constituent Chapter for the administration of this program by the Grand Chapter.

Section 22. Membership in Lodge.

Membership in any Chapter in this Grand Jurisdiction is dependent upon and co-existent with membership in a Lodge of Master Masons. Receipt of a duly authenticated certificate showing the suspension or expulsion of any member of any Lodge in this Grand Jurisdiction shall operate to suspend or expel said Royal Arch Mason in the Chapter in which his membership is enrolled; provided that receipt of a certificate showing his restoration to such membership shall in the absence of charges in the Chapter operate to restore him to good standing.

Section 23. Discipline.

Every Chapter shall have the right to exercise Discipline for any Masonic offense over its own members wherever they may reside.

Section 24. Preferring Charges.

Whenever a Companion within this Grand Jurisdiction shall desire to prefer charges against another Companion he shall submit a copy of such charges with such specifications and the name of witnesses to the High Priest, whereupon all proceedings shall ensue in accordance with the Law and Usage adopted by The Most Worshipful Grand Lodge, Ancient Free and Accepted Masons of the State in Oklahoma so far as they may be applicable.

OKLAHOMA GRAND YORK RITE INVESTMENT POLICY STATEMENT

To vote to approve on April 28, 2023

I PURPOSE AND SCOPE

This Investment Policy Statement (the “Policy”) governs the investment of charitable assets in the Investment Portfolios (the “Portfolios”) held by the Grand York Rite Bodies of Oklahoma. The Policy is set forth by the Grand York Rite of Oklahoma as a working guideline and is designed to:

- Describe the goals and objectives of the Portfolios.
- Describe the roles and responsibilities of parties involved with the Portfolios.
- Describe the investment structure utilized by the Portfolios.
- Provide a framework for selection and ongoing monitoring of investments.

II THE PORTFOLIOS

All the investments held by the Grand Chapter of Royal Arch Masons of Oklahoma, the Grand Council of Cryptic Masons of Oklahoma, and the Grand Commandery of Knight Templar of Oklahoma. A portfolio may have several accounts, i.e. General Fund, Perpetual Membership Fund, Membership Development Fund, etc., within each portfolio.

The asset allocation target of the total portfolio shall be an Exhibit(s) to this Policy.

III INVESTMENT OBJECTIVES

Return Objective: Since the charitable assets will operate in perpetuity performance measurement of the charitable funds will be based on total return. Total return is a measure of the total gain of the Endowment and makes no distinction between capital appreciation (or depreciation), realized gains (or realized losses), and interest/dividends. To avoid loss of purchasing power the Portfolios must grow in real (inflation adjusted) terms in excess of spending.

Risk Tolerance: The Portfolios have the ability to sustain short term market volatility given the perpetual nature of the underlying funds.

Investment Horizon: The Perpetual Accounts are expected to operate in perpetuity and serve as a permanent source of funds for the Grand and Local York Rite Bodies. Recognizing that the needs for payout are long-term and that investment competence must be measured over a meaningful period of time, the Investment Committee does not expect to be reactive to short-term market developments. In making investment strategy decisions for the Endowment, the focus shall be on a long-term investment time horizon that encompasses a complete market cycle (approximately five years).

Liquidity: Near-term liquidity needs are determined by distribution requirements.

Performance of the Portfolios will be evaluated using the following objectives:

Objective	Benchmark	Description
-----------	-----------	-------------

Relative	Blended index	A time-weighted return compared to a blended index, which will be constructed based on the actual allocation of the Portfolios over time. The intent of this objective is to seek competitive investment performance versus relevant capital market measures
Absolute	Consumer price index + spending rate	A real return (net of inflation). The intent of this objective is to increase over time the principal value of assets as measured in real, inflation-adjusted terms.
Comparative	Peer universe median	The comparative performance objective is to achieve a total rate of return that exceeds the median return of a peer universe of similar type and size funds.

IV SPENDING POLICY

There shall be an interest bearing account known as the General Fund to invest monies for a short term or until needed by the Grand Secretary or Grand Recorder for the operation of the Grand Chapter, Grand Council, or Grand Commandery. In addition, the Perpetual Accounts are expected to operate in perpetuity and serve as a permanent source of funds for the Grand Chapter, Grand Council, and Grand Commandery of Oklahoma and Local York Rite Bodies. The dividends and interest earned in the preceding year will be paid out in proportion to the Grand Bodies and the local York Rite Bodies based on the Perpetual Members Spreadsheet.

V RESPONSIBILITIES

- Grand Treasurer

The Grand Treasurer will review the investment accounts monthly.

The Grand Treasurer shall be responsible for the investments of the Grand York Bodies. He shall seek advice from the Investment Advisory Committee as to the placement of the funds. The funds can be mixed to enhance return and a standard fund accounting practice be employed to account for each account's value in the investment mix.
- Investment Advisory Committee

The Investment Advisory Committee shall consist of three members. The Grand High Priest, Grand Illustrious Master, and Grand Commander will each appoint one member to the Investment Advisory Committee. At their first meeting, they will select who will serve one, two or three year terms. All following appointments will be for a three year term or to complete a vacated term. Investment Advisory Board members may be reappointed.
- Grand Secretary/Grand Recorder

The Secretary/Recorder will transfer all excess funds in the operating account to the Grand Treasurer for deposit in the General Fund Investment Account. All funds received by the Grand Secretary/Recorder which are designated will be transferred to the Grand Treasurer for deposit into the appropriate investment account.

VI INVESTMENT SELECTION AND MONITORING

The Grand Treasurer and the Investment Advisory Committee recognizes that investment results should be evaluated over a complete market cycle (generally five years) for purposes of investment option selection and monitoring. Performance guidelines are described in Exhibit C. While fund performance is an important component of investment option evaluation, the Grand Treasurer and the Investment Advisory Committee may also consider other criteria, including but not limited to investment philosophy, organizational structure, financial condition, assets under management, team experience and capability, volatility appropriate for the investment strategy, fees and any advice provided by an investment advisor.

Each quarter, the Grand Treasurer will review investments utilized by the Portfolios for changes to the non-performance criteria described in this section and against the performance guidelines described in Exhibit B and will discuss with the Investment Advisory Committee. Although the Grand Treasurer does not expect to react to short-term developments in investment markets, the Grand Treasurer may act on interim judgments if there are changes to any of the evaluated criteria that are deemed worthy of action. Notwithstanding the foregoing, the Investment Advisory Committee and Grand Treasurer reserves the right to revise or terminate investments in whole or in part, at any time, for any reason.

Watch List Policy

A number of factors may contribute to a manager's over- or under-performance at any given time such as - market dynamics, investment skill, and/or pure chance. Given this uncertainty, it is unwise to mandate termination purely for lagging performance at any specific point. The following represent quantitative guidelines to be used, in addition to the non-performance criteria described above, in making a recommendation to the Investment Advisory Committee with regards to placing a traditional asset class manager on the Watch List:

Test 1: If the manager's rolling, three-year return (net of fees) falls below the rolling, three-year benchmark return for three (3) consecutive quarters.

Test 2: If the manager's rolling, three-year return (net of fees) for three (3) consecutive quarters ranks in the bottom quartile of the Consultant's peer group universe.

Performance Guidelines and Investments

Set forth below are the standards for measuring the performance of the various types of investments that may be utilized by the Portfolios. The current target allocations are described in Exhibit A & Exhibit B.

Performance objectives are evaluated net of fees over a market cycle, which is typically a five-year rolling period.

Actively Managed Funds

1. Total return to exceed the benchmark
2. Rank above median in a universe of peers (if suitable peer group is available)

Passively Managed (Index) Funds

1. Total return comparable to the benchmark (with reasonable allowance for fees)
2. Minimal tracking error relative to the benchmark

Benchmark	Description
Growth Investments	
U.S. Large Cap Equity	Russell 1000, S&P 500 or other comparable index with appropriate capitalization and style Large cap U.S. equity funds invest in domestic stocks of varying characteristics—primarily in companies with large capitalizations—across value, core and growth styles.
U.S. Small/Mid Cap Equity	Russell 2000, Russell 2500, Russell Midcap or other comparable index with appropriate capitalization and style Small cap U.S. equity funds invest in domestic stocks of varying characteristics—primarily in companies with small-to-mid capitalizations—across value, core and growth styles.
Non-U.S. Equity	MSCI ACW ex-U.S., MSCI EAFE or other comparable index with appropriate region, capitalization and style Non-U.S. equity funds invest in foreign stocks of varying characteristics, primarily across large, mid and small capitalizations, value core and growth styles and developed, emerging and frontier regions.
Private Markets	Peer, absolute (e.g. CPI + 5%) or other comparable index* *Private markets are often measured by an internal rate of return (IRR) benchmark versus a standard time-weighted return (TWR) benchmark. Private market strategies are intended to provide additional diversification and return potential within an investment portfolio and may feature a low correlation to traditional asset classes. Private markets alternatives encompass a wide range of different strategies (e.g. private equity, private debt and opportunistic real estate). These strategies are typically transacted through a partnership structure and are characterized by illiquidity, infrequent valuations and capital contributions and distributions that are determined by the manager within the stated life of the fund.
