All members shall be notified of the proposition, by mail, at their last known post office address by the Recorder. The Grand Illustrious Master and the Grand Recorder shall also be notified of the proposed action, at the same time and in the same manner.

The proposition, on being called for final ballot, shall be declared passed if less than nine members vote to retain the charter; however, if nine, or more, vote to retain the charter, the proposition shall be declared defeated.

The Grand Illustrious Master may, at his discretion, accept surrender of the charter, or move said charter together with such members as so desire to another location. All assets, properties, real or personal, paraphernalia, robes, costumes, equipment, etc., shall become the property of the Grand Council. The Grand Council, however, shall not be liable for or assume any liability or indebtedness of any Council, whether it has surrendered its charter or is an active Council.

Section 14. Status of Member of Extinct Councils.

When the charter of a Council shall have been surrendered or arrested, the members thereof in good standing shall be entitled to a Certificate of Good Standing from the Grand Recorder without charge. A suspended member of such Council may, upon payment of Five Dollars (\$5.00), be entitled to a Certificate of Good Standing from the Grand Recorder.

Section 15. Summons.

The Illustrious Master, of the Council, has the right to summon any member of the Council for any purpose within the scope of business of Cryptic Masonry, and every member is bound to obey such summons, unless unavoidably prevented. While it is left to the wise discretion of the Illustrious Master, or the Council, as to when such an emergency exists, the Illustrious Master or Council must be held to accountability for an arbitrary exercise of his discretion, as well as for any other willful abuse of authority. Ten days shall be construed to be legal notice whenever the word "notice" is used in this code, and the Recorder shall deposit a copy of said notice in the United States Post Office, sealed and addressed to the member's last known address.

Section 16. Assemblies.

The stated Assembly of a Council shall be at the time and place specified in its by-laws. The Council shall be opened in due form (ritualistic form) for a minimum of four (4) stated Assemblies annually, including the one in December for the annual election, which shall be provided for in the by-laws. Special Assemblies to confer degrees may be called at the pleasure of the Illustrious Master, but no business shall be transacted except as hereinafter provided. A Council may, at a Stated Assembly, consider and transact business jointly with the Chapter and Commandery domiciled at the same location. When a Chapter or Commandery is opened in due form, the Illustrious Master may declare the Council open for business only, following the flag pledge and prayer.

Section 17. By-Laws.

A Council has the right to alter or amend its by-laws, provided that such alterations or amendments do not conflict with the Constitution and General Laws of this Grand Council.

Any alteration to Council By-Laws must be submitted to the Grand Illustrious Master for approval, either before or after adoption by the Council, before such alteration or amendment shall become effective. Constituent Councils shall furnish copies of their By-Laws to the office of the Grand Recorder.

Section 19. Charter and Seal.

Each chartered Council shall be required to have a seal, an impression of which shall be furnished the Grand Recorder for record. All official documents of the Council shall be duly authenticated by its seal.

In case of the loss or destruction of a charter, the Grand Illustrious Master may, upon proper showing, order a duplicate charter to be issued. Every chartered Council shall have a seal, which shall be affixed to all official papers issued by the Council.

Section 20. Bonds.

A Council may require by its by-laws that the Treasurer and the Recorder shall give surety bonds payable to the Council and in such form as the Council may approve, to be approved by the Illustrious Master.

Section 21. Quorum.

For the conferral of degrees, any nine (9) regular Select Masters shall constitute a quorum. Section 22. Audit.

At the last Stated Assembly in December of each year the Illustrious Master shall appoint a committee of three for the purpose of auditing or causing to be audited all the books and records of the Treasurer and Recorder and submit a report in writing thereon on or before the first Stated Assembly in January; provided that a professional accountant who is a Select Master may be employed to perform such services.

Section 23. Penalties for Failure to Make Reports.

Any Council which shall neglect to make payment of such dues or assessments as may be levied against it by resolution of the Grand Council or which shall fail, neglect or refuse to send at least one representative to the Stated Assembly of the Grand Council as required under this code shall be deemed to be delinquent and may, by resolution of the Grand Council, be held under suspension, during which the Council may not function as such except under special dispensation of the Grand Illustrious Master.

ARTICLE 10

CONDITIONS OF MEMBERSHIP

Section 1. Jurisdiction.

- a. The jurisdiction of the constituent Councils in the State of Oklahoma shall be concurrent.
- b. The Grand Illustrious Master, in his discretion, after investigation of the facts as to the accessibility of travel between the points involved and finding no objection from the Council nearest the residence of those desiring to petition for the Cryptic Degrees, may waive jurisdiction over candidates residing in Oklahoma who can more conveniently receive the degrees in a Council out of state. Such waiver, with the facts, must be reported in his annual address.
- c. No constituent Council in this jurisdiction shall receive the petition of an applicant for the degrees who resides in another Grand Jurisdiction without the consent of the Grand Illustrious Master of that jurisdiction and the constituent Council within whose jurisdiction the petitioner resides.

Section 2. Petition.

Any Royal Arch Mason in good standing who shall have resided within the jurisdiction of Oklahoma for a period of six months or more shall be entitled to petition for the degrees of Cryptic Masonry and shall state whether or not he has been rejected previously by any Council.

A petition may be received from, and the ballot spread upon, a brother who has petitioned a Council, but the degrees of the Council shall not be conferred on such candidate until he shall have received the Royal Arch Degree.

The petition shall be in writing upon a form prescribed by the Grand Council and shall be signed by the petitioner, with his full name, age, residence, occupation, and recommended by two members of the Council receiving the petition.

Section 3. Petition must be referred.

No ballot can be had upon a petition for the degrees or application for affiliation until after it has been referred to a committee of three members of the Council and shall be and remain in the hands of such investigating committee at least one lunar month except as hereinafter provided. A petition rejected may be renewed at the expiration of six months after such rejection. (See Exceptions, Section 6)

Section 4. Balloting.

The ballot on a petition or application for membership must be secret and unanimous, and all members present when the ballot is taken must vote unless excused by the Illustrious Master. A unanimous ballot shall be necessary for acceptance, but if, on the first ballot, one negative ballot appears, the Illustrious Master shall order a second ballot which shall be taken which shall in all cases be final.

Section 5. Objections.

Before the conferring of the degrees, any member of the Council or any member of a Council of this Grand Council may make secret objection to the Illustrious Master to the election of such candidate. On such objection being made, the Illustrious Master shall immediately call in the Deputy Master and Principal Conductor of the Work to consider the reasons therefore. This hearing shall be in secret. The objector shall present to those three the reasons for his objections, stating fully his facts. If the Illustrious Master, Deputy Master and Principal Conductor of the Work consider such reasons sufficient, the petitioner shall be declared rejected. At the next stated meeting the Illustrious Master shall announce that the petitioner has been rejected and instruct the Recorder to duly note the same. The fees shall be returned to the petitioner, and he shall be eligible to repetition after six months. The name of the objector shall not be revealed by either the officers or the objector.

Section 6. Exceptions.

When a petitioner shall have resided at least six months in the state and is a member of a duly recognized Council of Select Masters, the Council may, if there be no objection, receive and ballot upon such petitioner at any Stated or Special Assembly without regard to time or reference to an investigating committee.

Section 7. Failure to Appear.

A candidate fails to present himself within six months after he shall have been notified of his election shall forfeit his fee, provided he does not give good reasons for his failure to appear. The sufficiency of the reasons shall be decided by a majority vote of the members present. Another ballot shall be taken upon his petition. In the event the candidate presents himself and the degrees are not conferred because of no fault of his own, the fee paid shall be returned to the petitioner if he so desires.

Section 8. Records.

All action taken upon petitions and all degrees conferred or refused shall be duly recorded on the minutes of the Council.

Section 9. Fees.

No constituent Council shall accept a petition for the degrees for a sum less than (\$30.00) thirty dollars, which may be paid in installments, (\$15.00) fifteen dollars with the petition and (\$15.00) fifteen dollars before the Royal Master Degree is conferred, provided that this shall not be construed to prevent a constituent Council from charging a sum greater than (\$30.00) thirty dollars for the three degrees.

Section 10. Affiliation.

- a. All applications for membership by affiliation shall be on forms provided by the Grand Council, which form shall be signed by the applicant with his full name, together with such information concerning occupation, residence and such other matters as are deemed of importance in judging his qualifications for acceptance, and it shall be accompanied by a Certificate of Good Standing or demit from the Council of his former membership; providing that a Certificate of Good Standing issued by the Grand Recorder as provided in Article 2, Section 4 of these General Laws shall be accepted in lieu of a Certificate of Good Standing when presented within 120 days of its date.
- b. No fee shall be charged for affiliation from another Council whether within or without this Grand Jurisdiction.

Section 11. Rejection.

Whenever the application of a Cryptic Mason for membership shall be rejected, his right as a Cryptic Mason shall not be impaired thereby, and he shall have the right to again apply for membership at his pleasure in the same or in another Council.

Section 12. Certificates of Good Standing.

- a. The procedure adopted by the Most Worshipful Grand Lodge, A.F. & A.M., of the State of Oklahoma shall be adopted by this Grand Council in the issuance of Certificates of Good Standing.
- b. All forms previously approved by this Grand Council pertaining to the issuance of a demit shall be amended by substituting the words "Certificate of Good Standing" for the word "Demit", and such forms shall conform as nearly as possible to that adopted by the M:W: Grand Lodge of the State of Oklahoma. Demits shall not hereafter be issued by a constituent Council of this jurisdiction. In order that transfer of a member from one Council to another may be accomplished without delay the "Certificate of Good Standing" shall become a transfer of membership upon notice to the Council of original membership of the election of the member in another Council. Certificates of Good Standing shall expire one hundred twenty (120) days from the day of issuance.

Section 13. Certain Degrees Gratuitous.

Any Select Master who has been made such in another Grand jurisdiction in fraternal relationship with the Grand Council of Oklahoma which omits conferring the Royal Master Degree may visit an Oklahoma Council, provided he is obligated in the degree or degrees omitted or has them conferred upon him without cost. Any Council is authorized to confer any or all such degrees on such a Select Master as a courtesy and without fee or dues. Any such Select Mason receiving such degrees as a courtesy shall not thereby become a member of such Council and shall not be carried on the rolls

Section 14. Dues.

The minimum dues for each constituent Council shall be the per capita tax of the Grand Council, Cryptic Masons of Oklahoma and the General Grand Council Cryptic Masons, International plus any and all assessments of the Grand

Council of Cryptic Masons of Oklahoma, plus an additional amount to cover the cost of operating the constituent Council.

All dues shall be payable in advance on the first day of January each year, and the Recorder shall not issue a dues card until the member shall exhibit documentary evidence showing that he is a member in good standing of a Symbolic Lodge and a Chapter of Royal Arch Masons.

Councils may not remit the dues on more than 10% of its total membership.

A Council may also confer at any time "Honorary Membership" on deserving Companions who hold membership in other Councils and whom the Council wishes to honor for some particular reason.

Section 15. Assessments.

Councils may for specific purposes levy special assessments against companions which may be collected as dues, provided that such assessments shall apply to all companions alike, who shall be notified at least thirty days in advance of the time when such payments shall become due and with the approval of the Grand Illustrious Master.

Section 16. Dues Cards.

The dues cards shall be uniform in size and format, similar to the dues cards presently issued by the Grand Lodge A.:F.: & A.:M.: of the State of Oklahoma. Each card shall bear the printed signature of the Grand Recorder and a facsimile of the seal of the Grand Council of Cryptic Masons of Oklahoma, and the year of issue. Constituent Councils may fill in their Council name, number and location, or may have it printed on the card. Dues cards shall be ordered through the Grand Recorder.

Section 17. Remit Dues.

Councils shall have the right to remit the dues of deserving companions who, because of misfortune, may be unable to meet the financial obligation of paying dues. When a committee of the Council shall have made an investigation and reported such inability, the Grand Council dues on such companion shall be remitted. A report of members for whom dues are remitted shall be submitted to the Grand Recorder along with the annual report on a form to be provided by his office.

Section 18. Honorary Members.

Councils shall also have the right to bestow Honorary Membership on deserving companions who, because of advanced age or faithful service, are deemed worthy of such honor after such proposal shall have lain over from one Stated Assembly until the next, but the Council shall pay Grand Council dues on such member.

A Council may confer at any time "Honorary Membership" on deserving companions who hold membership in other Councils and who the Council wishes to honor for some particular reason.

Section 19. Suspensions, Restorations and Reinstatements.

- a. No member of a constituent Council shall be suspended for non-payment of dues until after due notice has been given to such member of an opportunity to appear at the time it is proposed to act upon the matter and to be heard.
- b. If a member is in arrears in dues for a period of six months, he may be summoned to appear at a Stated Assembly to show cause; at which time, whether he appears or not, the Council may act at its discretion without further notice to the member.
- c. Membership in a Symbolic Lodge and a Chapter of Royal Arch Masons, being a prerequisite to membership in a Council, a companion suspended by his Lodge or Chapter shall, on due notice, be suspended by his Council.
- d. When a member has been suspended by his Council solely for non-payment of dues, he may be restored to good standing by paying of the dues owed at the time of his suspension, plus dues for the current year, and without vote of the Council; providing such member shall be in good standing in his Lodge and Chapter, and providing further that such payment is tendered within three (3) years of the date of suspension.

If such payment be tendered at a later date, it shall require a two-thirds (2/3) affirmative vote of the

- Council to reinstate.
- e. Any payment tendered for reinstatement shall be refunded if reinstatement is refused.
 - f. No dues shall be charged during suspension.
 - g. The Council may, by majority vote, remit part or all of the dues owed at the time of suspension
 - h. In order to maintain his standing, a member must be affiliated with and in good standing in a regular Lodge of Master Masons and in a regular Chapter of Royal Arch Masons, and suspension or expulsion therein shall carry the same penalty in his Council.

Section 20. Plural Membership.

Plural membership in this Grand Council shall be permitted under the procedure as adopted by the Most Worshipful Grand Lodge of A.: F.: & A.: M.: of the State of Oklahoma; and the form of application and certification of good standing shall be adopted similar in wording to our present form of affiliation and certificate of good standing with the words "Plural Membership" to be added thereto. No companion shall be permitted to hold an elective office in two Councils within this Grand Council at one and the same time. A plural member may withdraw his membership in any Council giving written notice to each Council in which he holds plural membership, provided that no charges are pending and that his dues are current in each Council. The Recorder shall report all plural members, as such, and shall notify the other Councils and the Grand Recorder of anything affecting the standing of the plural member.

Section 21. Perpetual Membership.

Perpetual memberships are authorized in constituent Councils subject to the following terms and conditions.

- a. Any member in good standing and possessing a current dues card in a constituent Council may become a perpetual member in that Council pursuant to the provisions of this section.
- b. The member desiring a perpetual membership shall apply to the Recorder of his Council for such membership on forms prescribed by the Grand Council. The Council Recorder shall complete his part of the application and shall forward the same, together with the full fee due to the Grand Recorder. The date of application shall be the date the Grand Recorder certifies he received the application.

The member shall tender with his application a minimum of fifteen (15) times of the annual dues of his Council, excluding that portion of the annual dues which is designated for the per capita tax of the General Grand Council of Cryptic Masons, International, as prescribed in Article 11, Section 14. At the time of his application, the member must also demonstrate that he holds or has applied for an individual life membership in the General Grand Council of Cryptic Masons, International. If the General Grand Council of Cryptic Masons, International, shall have discontinued offering individual life memberships, then the member shall tender with his application a minimum of fifteen (15) times of the annual dues of his Council as prescribed in Article 11, Section 14.
- c. The application shall be signed by the applicant and have the certification of the Council Recorder. The application shall not become effective until the applicant's record has been certified by the Grand Recorder. The application shall contain thereon the computations upon which the perpetual membership fee is predicated. If the Grand Recorder determines that the minimum fee tendered by the applicant is in excess of that required, the Grand Recorder shall have power to correct the application and the Council Recorder's computations of the fee, accept the application as corrected and refund any excess fee to the applicant through the Constituent Council Recorder. If the fee tendered is insufficient, the Grand Recorder shall return the application and fee to the constituent Council Recorder for correction and re-submittal. A copy of the completed and accepted perpetual membership application and a certificate of perpetual membership shall be furnished to the applicant and his Council by the Grand Recorder. These provisions shall be construed so as to permit the Grand Recorder to use computerized records.
- d. After the perpetual membership application and fee have been received and accepted by the Grand Recorder, the perpetual membership fee shall not be refundable except under circumstances determined by the Grand Recorder to be mistakes of fact rendering the applicant ineligible for perpetual membership as of the date of the application.
- e. After the applicant's perpetual membership has been accepted by the Grand Recorder, the perpetual membership fee shall be paid over to the Grand Treasurer as required in the Constitution and General Laws. The funds shall be placed collectively in restricted perpetual membership accounts. These funds shall be accounted for on an individual Council basis, listing the amount a person paid into the fund for both Council dues and Grand Council per capita and any assessments in effect. The funds shall be

accounted for separately by the Grand Treasurer from all other Grand Council funds. The funds shall be audited annually as required in the Constitution and Law.

- f.** A perpetual member shall owe no further dues to the Council of which he is a perpetual member. An annual dues card shall be issued by the Council Recorder who shall denote perpetual membership thereon.
- g.** The perpetual membership fee shall be considered principal and shall never be spent. The total amount of interest and dividends derived there from shall be paid proportionally, annually to each constituent Council for each perpetual member at the time of per capita billing.

 - 1)** When a perpetual member dies, a new ratio will be arrived at by subtracting the General Grand Council per capita tax, the contribution made to Cryptic Masons Medical Research Foundation, Inc., plus any other special assessment.
- h.** The Grand Recorder and Grand Treasurer shall, at the time of the annual interest distribution, defined as interest and dividends, submit a statement to the Council for an amount covering the proportionate per capita and assessment in effect at the time the Companion joined the plan. The Council shall during his lifetime and thereafter pay to the Grand Council the amount designated by the Grand Recorder's per capita statement.
- i.** The obtaining of a perpetual membership in one Council by a dual member shall have no effect on his membership in the other Council to which he belongs. Plural perpetual memberships are permitted.
- j.** A perpetual member may affiliate with a constituent Council. If the affiliation is within this Grand Jurisdiction the entire perpetual membership fee he originally paid shall be transferred to the account of the Council to which he affiliates. If the affiliation is outside this Grand Jurisdiction the entire perpetual membership fee shall remain with the Council of which he was a perpetual member.
- k.** Any certificate of good standing issued under the Constitution and General Laws to a perpetual member shall have endorsed thereon the fact that the holder is a perpetual member, and the amount of the perpetual membership fee shall be transferred to the constituent Council in Oklahoma with which he affiliates.
- l.** If a perpetual member shall be suspended, expelled, or withdraws and is subsequently restored to good standing or re-affiliates from out of state, his perpetual membership shall be deemed to be also restored.
- m.** If a Council consolidates, surrenders its charter or has its charter arrested, the funds credited to that Council in the perpetual membership fund shall follow the Companion according to the relevant sections of the Constitution and General Laws dealing with consolidations, surrendering and arrest of charters.

 - 1)** When a member holds perpetual memberships in two Councils, and these Councils consolidate, his perpetual membership will be combined in one perpetual membership in the surviving Council. The Grand Treasurer will combine the perpetual membership funds transferred in with the original funds and will treat the account the same as if additional funds had been added. The distribution of the dividend and interest earned will be based on the ratio of the surviving Council and in accordance with paragraph (e).

- n. A memorial perpetual membership may be purchased by any person for a deceased Companion of an Oklahoma Council by following the same procedures as outlined in this section, using the dues, per capita and any assessments in effect on the date of the Companion's death. Interest derived there from shall be in accordance with sub-sections "g" and "h".
- o. A Companion at any future time may add any amount to his perpetual membership fee through his Council Recorder.
- p. Applications for perpetual membership shall be on forms prescribed by the Grand Council, and the Grand Recorder shall provide all forms required for the implementation of this section.
- q. Where perpetual Companions have not been heard from for more than seven years, the Illustrious Master shall direct the Recorder to report the names of such missing Companions to the Grand Council on the monthly report form as being deceased. Their names shall then be transferred to the rolls of deceased perpetual membership, but this action shall have no effect on the amount of money paid to the Council and Grand Council for that perpetual member as set forth in subsections "g" and "h".
- r. There shall be no cost to the constituent Council for the administration of this program by the Grand Council.

Section 22. Membership in Lodge and Chapter.

Membership in any Council in this Grand Jurisdiction is dependent upon and co-existent with membership in a Lodge of Master Masons and a Chapter of Royal Arch Masons. Receipt of a duly authenticated certificate showing the suspension or expulsion of any member of any Lodge in this Grand Jurisdiction shall operate to suspend or expel said Select Master in the Council in which his membership is enrolled; provided that receipt of a certificate showing his restoration to such membership shall in the absence of charges in the Council operate to restore him to good standing.

Section 23. Discipline.

Every Council shall have the right to exercise discipline for any Masonic offense over its own members wherever they may reside.

Section 24. Preferring Charges.

Whenever a Companion within this Grand Jurisdiction shall desire to prefer charges against another Companion he shall submit a copy of such charges with such specifications and the name of witnesses to the Illustrious Master, whereupon all proceedings shall ensue in accordance with the Law and Usage adopted by the Most Worshipful Grand Lodge, Ancient Free and Accepted Masons of the State of Oklahoma so far as they may be applicable.

Section 25. Division of Fees.

When the Super Excellent Master Degree is conferred by a Council other than the Council petitioned by the candidates, the Council petitioned shall pay the Council conferring the degree a fee of two dollars per candidate irrespective of the location at which the degree is conferred. No Select Master who was greeted before April, 1966 or his Council shall be required to pay any additional fee for the Super Excellent Master Degree. (When the Council conferring the degree serves a meal to their members and guests, the candidate's own Council shall pay for all meals served to the candidate, in addition to the two dollar fee.) PROVIDED, that when degrees are conferred at a state or district festival the expenses of the festival shall be allocated to the Councils sending candidates in such manner as the Grand Master or district officer shall determine, but the two dollar degree charge and meal charge shall not be assessed against the petitioner's council.

STANDING RESOLUTION

OKLAHOMA GRAND YORK RITE INVESTMENT POLICY STATEMENT

To vote to approve on April 28, 2023

I PURPOSE AND SCOPE

This Investment Policy Statement (the “Policy”) governs the investment of charitable assets in the Investment Portfolios (the “Portfolios”) held by the Grand York Rite Bodies of Oklahoma. The Policy is set forth by the Grand York Rite of Oklahoma as a working guideline and is designed to:

- Describe the goals and objectives of the Portfolios.
- Describe the roles and responsibilities of parties involved with the Portfolios.
- Describe the investment structure utilized by the Portfolios.
- Provide a framework for selection and ongoing monitoring of investments.

II THE PORTFOLIOS

All the investments held by the Grand Chapter of Royal Arch Masons of Oklahoma, the Grand Council of Cryptic Masons of Oklahoma, and the Grand Commandery of Knight Templar of Oklahoma. A portfolio may have several accounts, i.e. General Fund, Perpetual Membership Fund, Membership Development Fund, etc., within each portfolio. The asset allocation target of the total portfolio shall be an Exhibit(s) to this Policy.

III INVESTMENT OBJECTIVES

Return Objective: Since the charitable assets will operate in perpetuity performance measurement of the charitable funds will be based on total return. Total return is a measure of the total gain of the Endowment and makes no distinction between capital appreciation (or depreciation), realized gains (or realized losses), and interest/dividends. To avoid loss of purchasing power the Portfolios must grow in real (inflation adjusted) terms in excess of spending.

Risk Tolerance: The Portfolios have the ability to sustain short term market volatility given the perpetual nature of the underlying funds.

Investment Horizon: The Perpetual Accounts are expected to operate in perpetuity and serve as a permanent source of funds for the Grand and Local York Rite Bodies. Recognizing that the needs for payout are long-term and that investment competence must be measured over a meaningful period of time, the Investment Committee does not expect to be reactive to short-term market developments. In making investment strategy decisions for the Endowment, the focus shall be on a long-term investment time horizon that encompasses a complete market cycle (approximately five years).

Liquidity: Near-term liquidity needs are determined by distribution requirements.

Performance of the Portfolios will be evaluated using the following objectives:

Objective	Benchmark	Description
Relative	Blended index	A time-weighted return compared to a blended index, which will be constructed based on the actual allocation of the Portfolios over time. The intent of this objective is to seek competitive investment performance versus relevant capital market measures.
Absolute	Consumer price index spending rate	+ A real return (net of inflation). The intent of this objective is to increase over time the principal value of assets as measured in real, inflation-adjusted terms.
Comparative	Peer universe median	The comparative performance objective is to achieve a total rate of return that exceeds the median return of a peer universe of similar type and size funds.

IV SPENDING POLICY

There shall be an interest bearing account known as the General Fund to invest monies for a short term or until needed by the Grand Secretary or Grand Recorder for the operation of the Grand Chapter, Grand Council, or Grand Commandery. In addition, the Perpetual Accounts are expected to operate in perpetuity and serve as a permanent source of funds for the Grand Chapter, Grand Council, and Grand Commandery of Oklahoma and Local York Rite Bodies. The dividends and interest earned in the preceding year will be paid out in proportion to the Grand Bodies and the local York Rite Bodies based on the Perpetual Members Spreadsheet.

V RESPONSIBILITIES

- Grand Treasurer

The Grand Treasurer will review the investment accounts monthly.

The Grand Treasurer shall be responsible for the investments of the Grand York Bodies. He shall seek advice from the Investment Advisory Committee as to the placement of the funds. The funds can be mixed to enhance return and a standard fund accounting practice be employed to account for each account's value in the investment mix.
- Investment Advisory Committee

The Investment Advisory Committee shall consist of three members. The Grand High Priest, Grand Illustrious Master, and Grand Commander will each appoint one member to the Investment Advisory Committee. At their first meeting, they will select who will serve one, two or three year terms. All following appointments will be for a three year term or to complete a vacated term. Investment Advisory Board members may be reappointed.
- Grand Secretary/Grand Recorder

The Secretary/Recorder will transfer all excess funds in the operating account to the Grand Treasurer for deposit in the General Fund Investment Account. All funds received by the Grand Secretary/Recorder which are designated will be transferred to the Grand Treasurer for deposit into the appropriate investment account.

VI INVESTMENT SELECTION AND MONITORING

The Grand Treasurer and the Investment Advisory Committee recognizes that investment results should be evaluated over a complete market cycle (generally five years) for purposes of investment option selection and monitoring. Performance guidelines are described in Exhibit C. While fund performance is an important component of investment option evaluation, the Grand Treasurer and the Investment Advisory Committee may also consider other criteria, including but not limited to investment philosophy, organizational structure, financial condition, assets under management, team experience and capability, volatility appropriate for the investment strategy, fees and any advice provided by an investment advisor.

Each quarter, the Grand Treasurer will review investments utilized by the Portfolios for changes to the non-performance criteria described in this section and against the performance guidelines described in Exhibit B and will discuss with the Investment Advisory Committee. Although the Grand Treasurer does not expect to react to short-term developments in investment markets, the Grand Treasurer may act on interim judgments if there are changes to any of the evaluated criteria that are deemed worthy of action. Notwithstanding the foregoing, the Investment Advisory Committee and Grand Treasurer reserves the right to revise or terminate investments in whole or in part, at any time, for any reason.

Watch List Policy

A number of factors may contribute to a manager's over- or under-performance at any given time such as - market dynamics, investment skill, and/or pure chance. Given this uncertainty, it is unwise to mandate termination purely for lagging performance at any specific point. The following represent quantitative guidelines to be used, in addition to the non-performance criteria described above, in making a recommendation to the Investment Advisory Committee with regards to placing a traditional asset class manager on the Watch List:

Test 1: If the manager's rolling, three-year return (net of fees) falls below the rolling, three-year benchmark return for three (3) consecutive quarters.

Test 2: If the manager's rolling, three-year return (net of fees) for three (3) consecutive quarters ranks in the bottom quartile of the Consultant's peer group universe.

STANDING RESOLUTION No. 1

This Standing Resolution shall be used for the implementation of the Grand Illustrious Master's Award, as called for in Article 7, Section 1, of the General Laws of this Grand Council. For each constituent Council that has submitted its Annual Return in a timely manner, the relevant values shall be defined as follows:

1. The "Gains" shall be the sum of the following three items:
 - a. new members greeted,
 - b. members reinstated, and
 - c. members affiliated, who were not already members within this jurisdiction.
2. The "Losses" shall be defined to the sum of the following four items:
 - a. members suspended,
 - b. members demitted,
 - c. members withdrawn, and
 - d. members expelled.
3. The "Nominal Net Gain" shall be defined to be the "Gains" less the "Losses."
4. The "Percentage Net Gain" shall be defined to be the "Nominal Net Gain" divided by the total number of members in the constituent Council reported at the beginning of the year and shall be reported as a percentage.

Notice that if the "Nominal Net Gain" is divided by the average number of members in the constituent Councils of this jurisdiction reported at the beginning of the year and reported as a percentage, this results in a value on the same scale as the "Percentage Net Gain."

The "Nominal Net Gain" (re-scaled or not) and the "Percentage Net Gain" for each constituent Council shall be reported to the Grand Council. If the greatest "Nominal Net Gain" among all constituent Councils exceeds zero, the Council achieving that greatest value shall be so identified and shall be eligible for the Award. Similarly, if the greatest "Percentage Net Gain" among all constituent Councils exceeds zero, the Council achieving that greatest value shall be so identified and shall be eligible for the Award. (approved 4/24/2021)
